Rep Team Selections

The S.M.H.A will be setting the duration of time that the Rep Teams will be selected. There will be a notice placed on the S.M.H.A Bulletin Board in the Stephenville Dome.

The date for Minor Hockey Rep Teams to be selected is January 1, 2017.

The date for Female Hockey Rep Teams to be selected is January 1, 2017.

(Email the roster to the Registrar)

All those wishing to try out for a Rep Team in the allocated division must sign up. Rep Teams will be selected on players' performance and attendance at house league games and practices. There will be no allocated time slots for Rep Teams under S.M.H.A. If coaches wish to have a practice they must include all players that signed up and the cost associated with the practice is the responsibility of those players.

If a division is invited to participate in a Rep Team Game/Tournament all those listed on the form for Rep Team before the deadline are to be asked to participate and it is to be viewed as an additional event to assist the coaches to make their selections.

Sincerely,

Maria Churchill

S.M.H.A - President 2016-2017
