Additional Notes for each course:

Coach 2 (Coach Level) – To obtain Coach 2 trained status, coaches must complete the Hockey Canada University online course. The cost of the online and in-class course is \$86.00. We advise you to check with your minor hockey association President before registering for the online course, MHAs may cover fees or have a payment plan set-up within your association.

Additional Notes for Coach Level 2:

1. To sign-up for online Hockey University [CLICK HERE](#). **Please note new users will have to set-up an account.*

2. Certification is not required at the Coach 2 Level. Once you have completed Coach Level 2 you are now eligible to register for a Development 1 coaching course.

(Under Hockey Canada guidelines only one of these courses can be completed each hockey season).

Development 1 – At least one member of the coaching staff must be D1 certified for Provincial Tournaments. (Refer to Coaching Requirements Chart)

To become Development 1 certified a coach must:

1. Attend the in-class clinic (12-14 hours)
2. Complete the post task work book (signed off by MHA TD/President & Course Facilitator)
3. Complete the Online Making Ethical Decisions Course – **MED Competition Introduction**

Website www.coach.ca Sign into you locker account [CLICK HERE](#)

*The MED course will be offered for free once a coach is registered into the national database (registration could take up to a couple weeks post in-class clinic).

High Performance 1 – This course is for advanced coaches and is a weeklong course offered yearly throughout Canada. The HP1 course is offered every two years in Atlantic Canada (Halifax 2015 – Summer). To apply to take this course, coaches must contact the Hockey NL office (office@hockeynl.ca - 709. 489. 5512)

All coaches, trainers and managers must complete the Hockey Canada Speak Out / Respect in Sport (available online). This is also a requirement to become a coach at any level.
